Pierre, South Dakota 57501

South Dakota Board of Barber Examiners

115 E. Sioux, P.O. Box 1115, Pierre, SD 57501
(605) 224-6281

REGULAR MEETING

July 14, 1997

President Bill Schlosser called the meeting to order at 9:04 a.m., Monday, July 14, 1997 over the RDT at SE Tech in Sioux Falls, the School of Mines in Rapid City, Lake Area Technical Institute in Watertown and the Capitol in Pierre. Board members present: Rhonda Gibson, Bonnie Solem and William Schlosser. Others present included: Executive Secretary Jamie L. Damon, Chris Kristofferson and Cathy Stavig. Board member Mary Miller arrived at 9:07.

Gibson moved to approve the minutes of the April 21, 1997 meeting. Solem seconded, all in favor, motion carried.

NEW BUSINESS:

- A. The board discussed barber and shop renewals. Damon explained that a law went into effect July 1, 1997 mandating social security numbers and that letter went out from our office. The board requested an updated listing of non-renewal for barbers, apprentices and shops. Damon agreed to prepare that yet this week and send out to the board.
- B. **SHOP INSPECTIONS:** Schlosser questioned board members as to whether they had received the map. The board discussed the map and approved the same. If anybody has problems doing inspections, they will try to get someone else to cover, but the listing as stands should work for shop inspections. The only change is that Damon will do the Murdo shop inspection.
- C. **LEGISLATION - CONTINUING EDUCATION:** The board discussed the continuing education report. Miller moved and Gibson seconded a motion to take the names off the comment sheet and send the comments to Chris Kristofferson and Cathy Stavig. All in favor, motion carried.

Kristofferson questioned whether the grandfather clause would cut down on the number of people opposed to continuing education. He

has requested copies of laws from surrounding states and will be purusing those.

Schlosser suggested board members obtain input from licensees during the shop inspections. Kristofferson asked that the board note the age of the barber because it is his belief that more younger barbers are in favor of continuing education and more older barbers are opposed to the same. Damon recommended that the board look at the fiscal impact to the board if continuing education would pass.

Gibson questioned Department of Commerce letter concerning legislation. Damon stated that to her knowledge there is no legislation affecting barbers which has been proposed. Gibson also questioned whether legislation could be introduced at a latter time. Damon indicated that legislation can be introduced for several more months. The Department of Commerce simply wants to know whether or not the board intends to introduce any legislation at this time.

Schlosser suggested putting continuing education on the October agenda so the board can report the responses from their inspections.

- D. RESOLUTION - 36-14-15: Damon explained that this statute does not specify how many times an apprentice can take the test to become a barber. She also noted that ARSD 20:39:04:03 states that a passing score of 75% is required to pass. In Damon's opinion, for the six years she has worked on the board, pretty much all apprentices have been able to pass the test on the first try, but people have been allowed to re-take the test if they failed on their first attempt.

Solem moved and Gibson seconded a motion that apprentices be allowed to take the test two times, pay the applicable fee for the testing prior to having to obtain extra school hours as required by SDCL 36-14-15. All in favor, motion carried.

The board suggested that the apprentice needing to retake the test be notified that he has until August 1, 1997 to make the arrangements, pay the fee and take the test. Damon stated that she would send out a letter regarding the same to the apprentice informing him that the test must be taken prior to the end of July.

OLD BUSINESS

- A. Gibson noted that her May 9, 1997 travel voucher was not turned in until June 9 and questioned why. Schlosser noted that the board is attempting to take care of these problems of slow payments after his meeting with Damon in June, 1997. Damon stated that no board members need to send in travel vouchers unless they're claiming mileage for the RDTN meeting. Damon informed the board she will hand deliver the per diem listing to the Department of Commerce today to get payments made in a timely manner.

NEXT MEETING DATE: The next meeting will be October 20, 1997 at 9:00 a.m. C.D.T. over the RDT network. In the event it appears that someone will be taking a test, the board will be notified to have an actual meeting so the test can be given.

ADJOURN: Solem moved and Gibson seconded a motion to adjourn. All in favor, motion carried. The meeting adjourned at 9:50 a.m.

RESPECTFULLY SUBMITTED,

Jamie L. Damon
Executive Secretary

ATTEST:

William Schlosser, President
